**Glendale Centennial.** The city of Glendale will celebrate its official 100th anniversary as an incorporated city on June 18, 2010. Last week the city kicked off the countdown with an old-fashioned carnival in conjunction with Glendale's Summer Band Concert. If you missed it, don't worry! Throughout the year, the city will honor its centennial at various events and activities.

Contact our Visitor Center at (623) 930-4500 for future event dates as well as information on Glendale's cultural attractions, such as Sahuaro Ranch, Manistee Ranch, the Bead Museum and public art pieces, which document segments of Glendale's history.

Head to Glendale's Web site for a special page dedicated to the city's centennial. Over the course of the next year Glendale will be collecting stories from Glendale citizens young and old to share with our online readers. These 'Glendale Memories' will be compiled regularly and featured on our Centennial Web site. [Click here](#) to submit a story or read more about Glendale history.

**Glendale's From The Heart Program.** Nineteen non-profit agencies that provide essential services to Glendale's most vulnerable children, families and elderly residents received \$224,500 in grants on June 24, 2009 from money donated through Glendale's From The Heart program.

The money will be used to feed Glendale's hungry and provide home medical equipment for the frail and elderly and emergency programs for victims of violence and abuse.

All the money was raised through Glendale's From The Heart program, which enables residents and businesses to add \$1 to their city utility bills each month. Also, as a result of a new initiative with The Ellman Companies, all money collected from Westgate City Center's waterdance fountain is donated to From The Heart. The program also receives money through individual donations.

The BHHS Legacy Foundation provides a 50-cent match for every dollar donated to From The Heart. Today's distribution represents money donated from calendar year 2008.

Since From The Heart began in 1997, more than \$1.7 million has been collected and distributed to non-profit agencies serving Glendale residents. [Read more.](#)

**Heat Safety.** Glendale safety officials encourage residents to be safe and smart during extreme temperature days. With temperatures expected to climb throughout the summer, firefighters want you to stay safe and know the dangers that extreme heat conditions cause. Following are a few simple tips will help you survive the heat:

- Exercise and do yard work early. Avoid being outside during the hours of 11 a.m. through 6 p.m., when temperatures can reach their highest.
- Water wins. Drink plenty of water before, during and after any outside activity. Staying hydrated is one way to keep your body healthy in extreme heat. Limit soda, caffeine and alcohol during any outside activity.
- Protect your skin. Wear a hat, and apply sunscreen to prevent sunburn.
- Keep kids safe. Never leave a child or pet inside an unattended vehicle. Temperatures may reach 200 degrees or more in just a few minutes and will cause serious injury or death!
